*There is time to feed the sheep  
and there is time to feed the goats.*

These past two month stand true to this saying. We had only two meetings in November 2019, but they were wonderful. Another church voted to take us on support! Praise the Lord!

We were blessed to minister at our home church. Jon had an opportunity to do visits with Pastor Lacombe and preach in chapel and church; we went to the nursing home, taught in children's church, and greatly enjoy caroling with our church and Anchor Baptist Church. Since December seemed to be a season of sickness at Odenton Christian School, Lena got to substitute a number of times. She was blessed to hear from a child she let to the Lord last year in her class the excitement of being a child of God. She still KNOWS and lets everyone else know that she is saved! Please keep her in your prayers.

We got to spend Thanksgiving and Christmas with Jon's family. Lena got to meet some extended family. What a sweet time of fellowship and getting to know her new family better. On the way to Arizona, we spent New Year's Eve with Lena's adoptive grandparents in South Carolina, met some family, and fed the goats. It was fun! While there, we got a phone call from one of the pastors Lena went to college with and got a meeting in January. Praise the Lord for filling up our calendar even on a short notice!

God has been so good to us and gave us some needed rest and time with the family before we went on our first long trip for the month of January in Arizona. Looking forward to God's great work in and through our lives.

In prayer,

*Jon & Lena
